Paragraph Overhaul

I played a soft song. On my piano.

It's hard playing with two hands. It gets easier you have
to practice.

1. _______________________
2. _______________________
3. _______________________
4. _______________________

List the sentences, just as they are.

1. _______________________
2. _______________________
3. _______________________
4. _______________________

Fix them and list.

1. _______________________
2. _______________________
3. _______________________
4. _______________________

Reshape them into a paragraph.
