

App Evaluation Sheet

Name:

Description:

URL:

Features (*animation, narration, video*):

Grade levels:

Subject areas:

Skills I can teach:

Lesson use: *How would you incorporate or infuse this in a lesson? What delivery format would you use—classwide, small groups, individual? What would students do? What would the teacher do?*

Assessments: *Does the app record student performance?*

Strengths (*list three*):

Weaknesses (*list two or three*):

Recommendations for Class Use (*one or two sentences*):

Overall impression: *Consider depth of content, ease of use, time to set up, and so forth.*
